

# FEBRUARY

Dear Families,

As we come upon the middle of the school year the children are showing much growth in their overall development. Hopefully, you have all been able to discuss your child's development with their teacher at parent conferences. The teachers and assistants are working hard to provide interesting thematic developmental activities that will help your child continue to grow. Our smaller center allows for teachers to offer much individualization as they plan and engage in activities with your child. Consider what you can do at home to continue that support.

Please remember that we are not licensed or equipped to care for ill children. When the need arises to send your child home sick it is critical that we can reach someone by phone to pick up immediately or within a reasonable amount of time, within 20-30 minutes. If you need to add additional persons to your child's emergency list please do so by coming into the center. In order to maintain your child's safety persons cannot be added to the list by phone.

We strive to serve your children healthy snacks and meals daily. Please remember that outside food is not permitted on our campus other than for special occasions such as class parties or birthdays that you have prearranged with your child's teacher. Some children or staff may have allergies to the foods that you are bringing on to campus and we do not want to pose a health risk to anyone.

**Children' Birthdays:** 4<sup>th</sup> Geneva Harmon & 21st- Jessica Mendez

Feb. 12<sup>th</sup> – Parent Meeting 6:00-7:00 p.m. (child care will be provided)

Feb 14<sup>th</sup> - Valentine's Day at Fallbrook Child Development Center - Talk to your child's teacher to find out what special activity their class has planned.

Feb. 25<sup>th</sup> – Board Meeting 4:00 p.m. at the Boys & Girls Club

**PLEASE BE SURE TO COMPLETELY CLOSE ALL GATES BEHIND YOU** - For the Safety of all the children, parents/adults must close each gate during pick-up and drop-off. For the same reason we ask that children do not climb or hang on the front gate, in doing so the gate becomes unbalanced and does not close properly.

\*Fallbrook Child Development Center is an equal opportunity provider\*
